

**Ronald  
McDonald  
House®**

LOS ANGELES

## **YOU PULL. YOU COLLECT. WE RECYCLE.**

The TINY tab on your soda can can make a BIG DIFFERENCE at the Los Angeles Ronald McDonald House. The proceeds from recycling these tiny tabs will be used to help us care for the families.

## **GET STARTED!**

This is an easy and fun project for schools, clubs, offices, as well as families and individuals! Collect your tabs in any container of your choosing - milk gallons, Pringles cans, Ziploc bags to name a few. Use your artistic talents to jazz up your containers or download our pre-made labels, among other resources to help you get started. Visit our website for more information: [www.rmhcsc.org/losangeles/page/pull-tabs](http://www.rmhcsc.org/losangeles/page/pull-tabs)

## **DROP-OFF**

Your collection can be dropped off at our Los Angeles Ronald McDonald House, Monday - Sunday between 9 am - 7 pm.
