Help From Home

ACTIVITY KIT ASSEMBLY

Assembling Activity Kits is a great way to help Ronald McDonald House families from the comfort of your own home. Families staying at our House are able to grab a kit whenever they have a bit of down time in between medical treatments or are looking for a fun distraction. Engage your family, corporate team, or service group to gather all the materials, assemble the kits, and deliver them to our House to be given to families!

Instructions

Activity Kits should be appropriate for children between the ages of 4 and 18. Each kit should include activities and craft supplies for one child. Please place kit materials inside of a one-gallon Ziploc bag.

Supplies

You can purchase recommended supplies directly from our Amazon Wishlist:

Each Activity Kit should include 5-8 of the following suggested items:

- Crayons or colored pencils
- Washable markers
- Sketch pad
- Small washable paint set
- Children's scissors
- Glue stick
- Puzzle or sudoku books
- Coloring books for kids or teens
- UNO card game
- Deck of playing cards
- Bubble bottle with wand
- Travel-size Play-Doh

Write a Note! Include a positive message of encouragement inside each Activity Kit to brighten a child's day.
