TOILETRY KIT ASSEMBLY

Assembling Toiletry Kits is a great way to help Ronald McDonald House families from your home, school, or office. Engage your family, service group, or corporate team to gather all the materials, assemble the kits, and deliver them to our House to be given to families so they have everything they need.

Write a Note! Include a positive message of encouragement inside each Toiletry Kit to brighten a family's day.

Instructions

Toiletry Kits should include all items in the "required" list and any additional items from the "optional" list. All toiletry items must be travel-sized, pre-packaged, and unused. When handling all items, please remember to wear gloves and a mask.

Examples of each item can be found on our [Toiletry Kit Wishlist](#).
