This Positive Note was brought to you by someone special who wanted to encourage you and brighten your day!

Since opening in 1989, Ronald McDonald House® Orange County has provided comfort, care and support to children and families in Southern California. Our hope is to create a community where children and their families embrace life and healing with a sense of hope, enthusiasm, courage and joy by keeping families close to each other and the care they need.

We provide impact through two core programs:

Ronald McDonald House® provides lodging, meals, transportation and other supportive services.

Ronald McDonald Family Rooms® provides respite, food, quiet rooms, sleep rooms and other supportive services.
