

Help us assist our families during a very difficult time...

\$25* will help fund a family's breakfast

\$50* will help fund a family's dinner

\$100* will help fund a one-night stay for a family of four

\$250* will help fund a three-night stay for a family of four

\$500* will help fund a five-night stay for a family of four

*Your Charitable Contribution

You Make the Difference!

We suggest a contribution of \$10 per day from families staying at our Ronald McDonald House, but we never turn a family away if they are unable to pay. We rely on fundraising revenue to make up the balance of our operating costs. Without our program, and your continued and compassionate support, many of the deserving families would simply have no affordable choice for lodging while their children receive life-saving treatment at area hospitals.

The Heiman Family

Aiden was born prematurely with Spina Bifida, which literally means "split spine." Spina Bifida happens when a baby is in the womb and the spinal column doesn't close all of the way. He also has Arnold Chiari malformation of the brain.

"Other than leg braces and a walker or wheelchair, you would never know my child has spent more than half his life in the hospital," says Aiden's mom.

Aiden is quick to make friends with almost everyone who walks through the doors at the Orange County Ronald McDonald House. You can frequently see him rolling his wheelchair or using his walker through the front office.

Since Aiden and his family live in the Inland Empire, they have called the Orange County Ronald McDonald House "home" for 193 days during the past three years.

Orange County Ronald McDonald House

Our 20 guestroom Ronald McDonald House provides a warm and comfortable environment in which families connect with other families with seriously ill children being treated in any Orange County hospital. During their visit, guests stay in a lovingly decorated private room where they can get a peaceful rest, knowing their child is close by.

Ronald McDonald Family Rooms®

Located near the neonatal or pediatric intensive care units and within the hectic environment of the hospital, our two Ronald McDonald Family Rooms provide an "oasis" for families of children undergoing treatment at CHOC Children's Hospital in Orange and CHOC Children's at Mission Hospital in Mission Viejo.

Thank you for supporting the "House That Love Built®."
