Letter From Our Chair

Since opening on September 11, 1996, the Inland Empire Ronald McDonald House has provided a “home away from home” to families while their children receive medical treatment at Loma Linda University Children’s Hospital and other nearby hospitals. We’ve offered about 19,710 temporary housing and overnight stays, from up to 2,200 families annually, while continuously serving 54 families a night. The support we receive from this annual event is a critical piece in our ability to serve all the families who need the House.

You are invited to A Few Good Men Gala will honor a select group of distinguished gentlemen from throughout the region, who’s generous contributions to the communities they serve are worthy of special recognition and appreciation.

We ask for your generous support on this special night to celebrate the kindness, leadership and service of these men in our communities. We also ask that you to support these families at the most trying time of their lives, bringing them comfort and hope, 48% of families come from Coachella Valley. Your help is vital to the mission of the Inland Empire Ronald McDonald House, and a gift to thousands of families every year when they need it the most.

With our warmest regards,

Jack Srebnik
