### Organizing a holiday drive can be fun & easy!

Your efforts will truly make a difference in the lives of the children and families staying at the Pasadena Ronald McDonald House.

Without the generosity of people like you, the families staying at the House over the holidays will be able to create joyful memories.

### When to donate your gifts?

To ensure our children receive their gifts in time for the holidays, please deliver your unwrapped donations to Pasadena Ronald McDonald House between **Monday, November 25, 2019** and **Monday, December 16, 2019**.

Questions? Contact:

or call (626) 204-0410

### There are five easy steps to make your drive a success:

- 1. Pick a date.** Give yourself enough time to get the word out and we suggest that you run your drive for at least a week so that people have time to purchase their gifts and toys.
- 2. Advertise!** Send emails to everyone you know, both at work or school and your friends and family. Encourage everyone to do the same. You will be surprised how your toy drive will grow with everyone sharing in their network.
- 3. Make sure that everyone knows when and where to drop off their new toys.** Be sure to put in a location that is not only convenient, but helps to remind people to bring in their gifts if they haven't already.
- 4. Once all the toys or cans goods are collected and your drive is over,** schedule a time to drop off the gifts prior to Monday, December 16th. If possible, bring your coworkers, friends or classmates for a tour of the Pasadena Ronald McDonald House. They will see where all their efforts have gone.
- 5. Sit back and enjoy the good feeling of helping children and families far from home over the holidays.**
