It's for the Kids-Thank you for Sponsoring The American Car, Truck & Bike Show! Your generosity makes a difference! Families are kept together, by the families ability to stay at the Bakersfield Ronald McDonald House. The Children being hospitalized are surrounded by those they love, for longer periods of time...and your kindness makes it happen. The families are able to rest, shower, launder clothes and cook dinner. It's a fully functioning home and they may use the facility, as long as they need.

Remembering- There are many of us, whether family or extended family, have had a need for BRMH. We will never forget the kindness shown...

The money stays in Bakersfield-Mopars of Bakersfield has been able to donate more than \$210,000 to the BRMH, in the past 10 years. All contributions are Tax Deductible. BRMH Tax ID #95-3167869. You and your business will receive recognition throughout the event, as well as spotlight the Large Sponsors. We want to promote your business!
