

# HEARTS FOR THE HOUSE

*McDonald's Restaurant Campaign benefiting  
Ronald McDonald House Charities Southern California*

Dear McFamily,

**Two weeks down two weeks to go.** We are so proud to report that this year's fundraising numbers are trending higher than in previous years. After an intense two weeks of fundraising, **we are at \$172,694 raised for the Charity.** Great job everyone. You truly are making a difference in your local communities.

Every dollar raised will help a family who is going through the most difficult time of their lives. At McDonald's, we know the importance of bringing families together and for over 45 years, we have been committed to leveraging the size and scale of our restaurants to promote and raise money to support the growth of the Charity. We are so proud of the success we are seeing with this year's fundraising efforts so far. If we stay on-trend, we may be able to double what we raised last year. **Can we get there together?**

Thank you for your support and commitment and keep "asking!"

McDonald's Owner/Operators

## How the House helped one of our own **McFamily Members** in their time of need.

In 2013, Jose\*, found himself needing the services of the Ronald McDonald House Inland Empire when his son was diagnosed with Intussusception (a serious condition in which part of the intestine slides into an adjacent part of the intestine.) While his wife stayed with Owen, Jose was able to stay at the House. "If not for the House, I would have to make the two hour commute daily to be with my son. That time saved meant I could spend more time by my son's side supporting both him and my wife."

\*Jose is the Director of Operations of McDonald's Hills Organization. Fred Hill (o/o) has three restaurants in South Orange County.

## BE A "HEARTS FOR THE HOUSE" CHAMPION

With two weeks to go, we can increase your donations by following these three easy steps!

- 1) ASK! ASK! ASK! "would you like to donate \$1 today to help local families with sick children?"
- 2) Use our thermometer print out to keep track of your daily donations. Start with a goal of \$10 a day or \$10 an hour
- 3) Internal competitions. See what one restaurant is doing for their crew.

On behalf of the Families of Ronald McDonald House Charities Southern California,

Thank you
