

2023 Impact Report

Keeping Families Close

Dear RMHCSC Community,

As we reflect on the closing of an extraordinary year and embrace the promise of 2024, we extend heartfelt gratitude to our remarkable Ronald McDonald House Charities of Southern California (RMHCSC) community. **You are impacting more lives than ever with transformative programs and growth to meet the needs of our families.**

In Fatima's two years leading RMHCSC, we have dedicated efforts to understanding our community's needs and charting a visionary course for our organization. **Your support will fuel RMHCSC's vision of emerging as a top-tier nonprofit, leading with excellence and innovation into the next 50 years of our history.**

RMHCSC has experienced substantial growth, with our budget growing from \$15M to \$20M, reflecting our commitment to uplift our staff with competitive salaries. You have helped expand services in Orange County, Westside Los Angeles, and at our Camp, along with a significant, urgently needed expansion of our Family Support Services.

RMHCSC is a beacon of light for families facing an unrelenting storm, and your support makes our light shine brighter. **We are deeply grateful to our donors, volunteers, and staff who contribute their time, treasure, effort, and passion to create a home for our families and help ensure they have access to their children's medical care.**

Here's to a year of continued growth, compassion, and shared achievements. Thank you for your ongoing commitment to the RMHCSC mission. **Let's continue illuminating the lives of those who depend on us.**

“
When my 2 year old son's cancer journey began, RMHCSC was exactly what we needed.

It warms my heart knowing that Ronald McDonald House Charities is with us providing support wherever we are on this journey.”

-RMHCSC Mom

Thank you to all who contributed to making these impactful moments, and countless others, possible throughout 2023.

Thank You for Supporting Families like Daniel's

The Ordonez Family's journey with RMHCSC began in 2017 when Daniel was first diagnosed with cancer.

Seeking solace and solidarity, they found refuge in Camp Ronald McDonald for Good Times' "Campamento Familiar", a safe haven that fosters community among Spanish-speaking pediatric oncology families.

Throughout the last 7 years, Daniel has endured multiple relapses. His mother, Silvia, says each time, she was grateful to have a community of support within RMHCSC to lean on

Silvia states, "it has been so healing to witness my son's remarkable resilience and watch him reclaim his childhood and form unbreakable bonds."

The Ordonez Family's story embodies the profound impact your support makes possible.

Thank you for ensuring that RMHCSC remains a beacon of hope for families like the Ordonezes amid their most daunting challenges.
