*Thank you

Imagine you just got the news that your 7-year-old child had brain cancer. Could you go through it alone – could your child?

For 20 families staying at the Orange County Ronald McDonald House tonight, they know they don't have to. Together, we give them strength. As a military family, the Brown's knew they couldn't fight their daughter Natalie's brain cancer alone, they needed an army.

**At the Orange County Ronald McDonald House, they drew strength from...**

***the staff***, who counted down the days of radiation therapy with them.

***the families***, who shared words of comfort and understanding across the dining room table.

***the volunteers***, who made sure they never had to worry about making their next meal.

**And with each passing day, Natalie drew strength from...**

***knowing*** her parents were just across the street and could be there quickly.

***not having to worry*** about her three brothers because they were safe and sound.

Today, Natalie is tumor free – due in no small part, doctors said, to the unwavering support from the army of volunteers, families and staff at the Ronald McDonald House. I know you understand how truly critical your support is for our families.

**Please consider taking part in our program called “Adopt a Room”.**

**For \$5,000 or \$10,000 you will adopt a room at the House or one of our Ronald McDonald Family Rooms and all the families that utilize that room during the year.**

You and I can't find the best treatment to cure a child's illness, but we can help families feel strong enough – physically.

Thank you.

Warmly,

Noel Burcelis, MSW

## ADOPT A ROOM

### *Overview...*

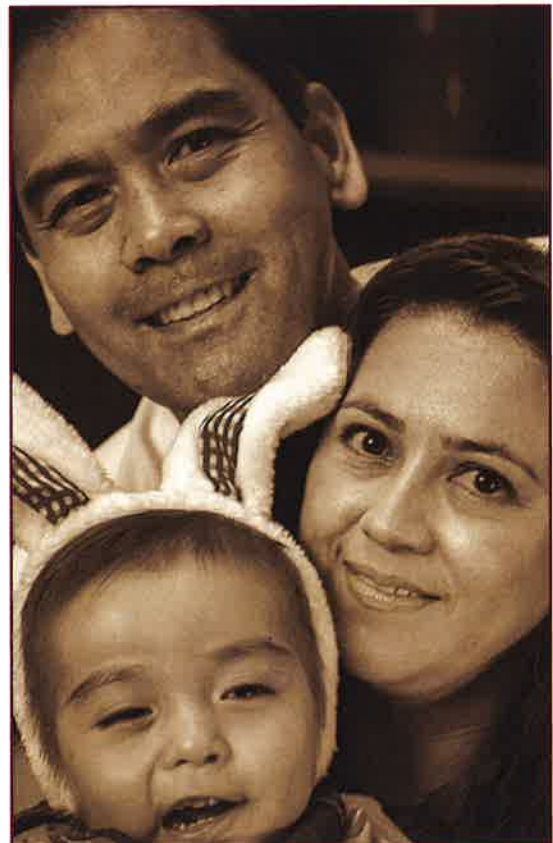

The “Adopt a Room” Partnership is a program, allowing you, your company, or organization to be the exclusive room partner on one of the rooms at the Orange County Ronald McDonald House at 383 South Batavia Street or in one of the Ronald McDonald Family Rooms inside CHOC Children’s in Orange or at Mission Hospital. Your funding will sponsor all of the families who use that room throughout the year.

### *Your Partnership Impact...*

The Orange County Ronald McDonald House and our Ronald McDonald Family Rooms were founded on the idea of strength in numbers. Families find strength from each other, from Ronald McDonald House staff and volunteers. Thanks to our generous donors who participate in the “Adopt a Room” program, more families will find strength so their children can be strong enough to heal.

#### **ADOPT A ROOM BENEFITS:**
