

Adopt a Room

The mission of the Los Angeles Ronald McDonald House is to provide comfort, care and support to critically ill children and their families. Our House provides free temporary housing to accommodate 75 families each night giving them the amenities of any typical home, including a room, communal kitchen, laundry rooms, and much more.

Our vision is to create a community where children and their families embrace life and healing with a sense of hope, enthusiasm, courage and joy. We are open 24 hours a day, 7 days a week, 365 days a year. No family is ever turned away due to financial status.

Dear friend,

The Los Angeles Ronald McDonald House (LARMH) is celebrating 44 years of Keeping Families Close in 2024. During those 44 years, **LARMH has been home to 35,700 families from 47 different countries.**

As the number of families we serve grows each year, our operating budget expands in response, **and we rely on the generous donations of companies and individuals to keep our doors open.** By strategically structuring an Adopt a Room program, we hope to broaden awareness of our mission and strengthen the diversity of our giving opportunities.

On the following pages, we have listed the benefits that you or your company will receive as an Adopt a Room donor. Please don't hesitate to reach out to discuss how we can help **align our mission with your philanthropic goals.**

We sincerely hope that you will join in our efforts and thank you in advance for your consideration.

With gratitude,

Rebecca Jackson Lai
Los Angeles Ronald McDonald House Executive Director

"Having our family close was everything. It gave us somebody to talk to, somebody to keep us believing, somebody to keep us going and keep us fighting. **This is why we continue to support the Ronald McDonald House** - we want any other parent, any other family, any other child going through [what we went through], to be able to have that gift of time with their family."
