

WHO WE ARE

Ronald McDonald House Pasadena provides comfort, care, and support to critically ill children and their families. We are able to provide temporary housing for up to 17 families each night—giving them all the comforts of home, including a private bedroom, communal kitchen, laundry room access, outdoor space, and much more!

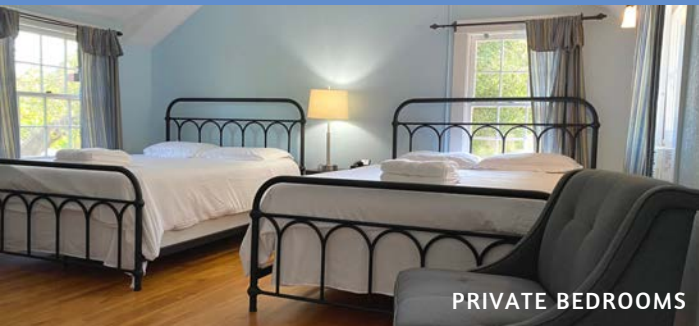

Our vision is to create a community where children and their families embrace life and healing with a sense of hope, enthusiasm, courage, and joy.

We are open 24 hours a day, 7 days a week, 365 days a year.

WHO WE SERVE

Due to limited space and increasing need, first priority is given to families of children in the most critical conditions. Patients must be 21 years old or younger.

Guest requirements include:

- No current drug/alcohol abuse, conviction relating to domestic violence, open cases with the Department of Children & Family Services
- Free from any infectious disease
- Parent/guardian must be 18+
- Requested room contribution of \$25/night, but no family is turned away due to an inability to pay
- All accompanying adults must present valid, non-expired photo identification

Families must be referred by a social worker, physician, or nurse by submitting a Room Request Form, which can be downloaded from our website:
www.rmhcsc.org/pasadena..

OUR LOCATION

Ronald McDonald House Pasadena is centrally located in Pasadena, directly across from Huntington Hospital and close to Shriners for Children Medical Center.

Local attractions include:

Rose Bowl Stadium | Grocery stores | Restaurants | Museums | Parks and gardens | Family Activity Centers

FAMILY SUPPORT SERVICES

Upon checking in, every family member is connected to a Family Support Specialist. The team of specialists are on-call for families around the clock for emotional support. They also provide a robust calendar of supportive activities at the House, including daily Fun Clubs and monthly special events, during which a specialist is always available.

FAMILY-CENTERED CARE

- Bridge access to top medical care for critically ill children who must travel long distances for care
- Strengthen a family's psychological well-being by keeping them close together
- Improve the family's coping and cohesion, improving the child's recovery outcomes
- Alleviate daily & financial stress of being displaced due to medical treatment

The House is a place that keeps families together. It is a place that is a refuge from the storm and a huge relief in so many ways.
