Camp Ronald McDonald for Good Times

Adolescent and Young Adult Weekend

Serving Patients HS Graduation - 26 years of age

AYA Camp is an **oncology program** for those **patients** who are graduate campers, alumni campers, newly diagnosed campers, & previously diagnosed in childhood.

Prerequisite:

“Application Form - AYA Program (Not a Session)”

AYA Weekend is to provide a Camp experience where participants will:

- Connect in a supportive community
- Learn new skills and resources
- Heal, grow, play, and laugh together

Weekend Design

- Three-night Camp retreat in **February 14 - 17**
- Buses will be available from Los Angeles & Inland Empire Ronald McDonald Houses
- Participants will get to choose what activities and workshops they participate in.

Housing

- There will be cabins with counselors and cabins without
- Participants can choose if they want a counselor in their cabin or not

Program Design

- Activities will be presented as a combination of typical activities and workshop presentations. Multiple options will be offered at once, and the participants can choose what they attend, like attending a conference. All activities and workshops will be offered multiple time so all participants have a chance to attend.
- Evening activities will be all-camp activities, allowing the entire community to come together for fun and fellowship
- The activities & programs offered are designed to meet the outcomes of the weekend - to help the participants connect, grow and have fun!
